ABOUT US

Located within Godmanchester, Huntingdon, Colman Creative Academy is a comprehensive Musical Theatre facility within the Cambridgeshire region. We use a fully equipped studio and train our students in all areas of Musical Theatre for students from 4 - 18 years. Whether you are aiming for a professional career, looking to stay fit or finally ready to give dance a try, we have a class for you. Our collective approach is to share our love of performing arts while being supportive and encouraging.

OUR SUMMER INTENSIVE

Colman Creative Academy are excited to present our first ever Summer Musical Theatre Intensive. After teaching students in the Godmanchester area for the last year, we have seen not only their confidence but technique grow and develop every single week and can not wait to expand this to other students during the summer holidays.

The Intensive runs from Monday 23rd August - Friday 27th August, 9-3pm each day with a performance for family and friends on the final day!

Each day on the intensive will be different for the students. They will be given the opportunity to learn a brand new Musical Theatre routine every day; developing their confidence and understanding in performance, whilst making new friends and lots of memories.

The intensive is open to all children age 7 - 12 years of every ability.
